OUR CHAMPION KIDS

Need
some
help?
Just
call!

Parents long for these brief moments when children are happy, healthy and engrossed in something they love.

BRINGING home a baby can be a very exciting time but it's also a busy time and highly demanding.

Toddlers can quickly overwhelm you while your primary schoolers can send you loopy with all their dramas.

But don't suffer in silence – help is just a phone call away...

FAIRFIELD CHILDREN'S RESOURCE CENTRE
Phone: 9724 7875.

Description: Free service to parents concerned about their child's development. Different levels of support available like assessment, programs and advice.

KARITANE CARE LINE

Phone: 1300 227 464.

Description: 24-hour phone counselling and information service for families with children up to five with concerns about breast and bottle feeding, sleep and settling, toddler management, attachment, bonding, and pre- and postnatal mood disorders.

TRESILLIAN

Phone: 9787 0855.

Description: Advice and guidance on breastfeeding, settling baby, coping emotionally, returning to work, child-care options and postnatal depression. Staffed 24 hours a day by qualified child and family nurses.

PARENTLINE
