Karitane

leaders in parenting services since 1923

In 1923, the Karitane Mothercraft Society was founded in Australia. Throughout the years the organisation provided specialist services at various locations within Sydney. In 1994 the Residential Unit, Administration and Education Departments relocated to a purpose-built centre at Carramar in South West Sydney. In 2007, the Conference and Function Centre was completed at the Carramar site. As a leader in the provision of child and family services, the organisations best practice standards are evident in the accessibility, diversity and resources that the Conference and Function Centre has to offer. By accessing the Centre your support will assist Karitane in providing children and families with much needed support.

Karitane Conference and Function Centre

*Karitane Carramar Site and Head Office
Corner of The Horsley Drive and Mitchell Street Carramar.*

Built in late 2007, the Karitane Conference and Function Centre offers a choice of meeting rooms and conference facilities.

The centre is located in South Western Sydney, is easily accessible by public transport and has free off street parking.

We cater for small training groups, conferences and seminars with up to 150 participants. The centre is fully equipped with state of the art audio visual equipment.

The centre is on one level and is fully wheelchair accessible with disabled toilets and dedicated disabled parking spots.

The centre offers a choice of five rooms all positioned around a spacious foyer and two outdoor courtyards. The conference and function centre is self contained with a kitchen, coffee and tea facilities, a separate entrance and toilets.

Conference Centre

The conference centre is a fully equipped lecture theatre with a capacity to seat up to 150 participants, theatre style. This room is sound proof with a stunning acoustic wall. The architecturally designed glass wall spanning one side of the room provides a well lit, pleasant environment and is fully curtained to enable the room to be darkened during presentations.

Audio visual equipment

- ❖ Hearing loop
- ❖ Lectern with user friendly touch screen operation
- ❖ Video and teleconferencing
- ❖ Ceiling mounted data projector and electric screen
- ❖ Surround sound audio system
- ❖ Video camera/recorder
- ❖ Laptop input
- ❖ DVD/CD/Video player
- ❖ TV/radio tuner
- ❖ Document camera
- ❖ Internet access
- ❖ Handheld and lapel microphones
- ❖ Portable and wall mounted white boards
- ❖ Variable lighting settings for presentations, spotlights or discussions.

Conference Room

This small lecture room is ideal for smaller groups, it has a capacity to seat up to 25 people theatre style. This room has a kitchenette and is fully equipped with audio visual equipment including:

- ❖ Ceiling mounted data projector
- ❖ Laptop input
- ❖ DVD/CD/Video player
- ❖ Document camera
- ❖ Internet access
- ❖ Portable and wall mounted white boards.

Multi-Function Rooms

Three available each with a capacity of 10-15 people theatre style. These rooms are ideal for meetings or small group education sessions. Two of these rooms can be combined to make a larger room. Each of these rooms has wall mounted white boards and outlets for portable data projectors, laptops, document cameras, TV/DVD/Video and other audio visual equipment.
